

INTERNSHIPS IN THE OFFICE OF SENATOR GILLIBRAND

Senator Gillibrand's Senate internship program provides an excellent opportunity for students to learn and serve through first-hand participation in government service, and the legislative process. The program is intended to provide participants with the tools, skills, and experience that they can readily apply to future challenges and professional pursuits. We expect a great deal from our interns. Candidates will have a diverse, challenging experience and make a genuine contribution to Senator Gillibrand's work on behalf of New York and the nation.

We welcome all applicants who have demonstrated academic excellence and have displayed a commitment to public service. While preference is given to New York residents, students from all backgrounds are encouraged to apply.
