Mr. W. Craig Fugate  
Administrator  
Federal Emergency Management Agency  
U.S. Department of Homeland Security  
500 C Street S.W., Washington, D.C. 20472

Dear Administrator Fugate,

I write in support of the application submitted by the Stony Point Ambulance Corps for funding from the Assistance to Firefighters Grant Program through the Federal Emergency Management Agency. This funding will allow the Corps to acquire essential equipment in order to ensure the community's safety.

Located in Rockland County, the Stony Point Ambulance Corps provides 24/7 emergency medical services to 16,000 residents in the Town of Stony Point and the surrounding area. The Corps is a non-profit association comprised of 27 line officers, auxiliary, and board members in addition to a 10-person Youth Squad. Stony Point Ambulance Corps has been serving the Stony Point, Grassy Point, Tomkins Cove, Jones Point, and Harriman State Park communities since 1946.

The requested funding will be used to purchase essential equipment in order to ensure staff and patient safety. The Stony Point Ambulance Corps plans to purchase four new Stryker Power-Load Model 6390 Cot Loaders and Fasteners. This equipment is designed to lift patients and decrease the risks of injury to both staff and patients during the transportation and treatment process. By purchasing this equipment, the Stony Point Ambulance Corps will be able to respond to emergency situations as safely and effectively as possible.

I ask that you please give this application your full consideration. If you have any questions, or desire further information, please do not hesitate to contact my staff member Laura Driscoll at (202) 224-4451.

Sincerely,

Kirsten Gillibrand  
United States Senator
