Mrs. GILLIBRAND (for herself and Mrs. CAPITO) introduced the following bill;
which was read twice and referred to the Committee on

A BILL

To require the Secretary of the Treasury to mint coins in commemoration of the 25th anniversary of the September 11, 2001, terrorist attacks on the United States and to support programs at the National September 11 Memorial and Museum at the World Trade Center.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “25th Anniversary of
5 9/11 Commemorative Coin Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) On September 11, 2001, the United States
2 suffered the deadliest terrorist attacks on United
3 States soil (referred to in this section as “the at-
4 tacks”).

5 (2) 2,977 people were killed during the attacks,
6 marking the single worst foreign attack on United
7 States soil since Pearl Harbor in 1941.

8 (3) In New York City, 2 planes hit the Twin
9 Towers during the attacks, causing both 110-story
10 towers to collapse in less than 2 hours, as well as
11 destroying 5 other buildings in the World Trade
12 Center complex, leaving a death toll of 2,753 people,
13 including all passengers and crew members of Amer-
14 ican Airlines Flight 11 and all passengers and crew
15 members of United Airlines Flight 175.

16 (4) During the attacks, American Airlines
17 Flight 77 struck the side of the Pentagon, killing
18 184 passengers, crew members, and personnel.

19 (5) In Pennsylvania, during the attacks, United
20 Airlines Flight 93 crashed near Shanksville, killing
21 all 40 passengers and crew members.

22 (6) The attacks took the lives of 441 first re-
23 sponders in New York, specifically 343 firefighters
24 from the New York City Fire Department, 37 offi-
25 cers from the Port Authority Police Department, 23

1 officers from the New York City Police Department,
2 and 38 individuals from other agencies.

3 (7) The collapse of the towers following the at-
4 tacks created massive dust clouds that left hundreds
5 of densely populated city blocks covered with harm-
6 ful contaminants, exposing first responders, local
7 workers, residents, and students.

8 (8) More than 2 decades after these horrific
9 terrorist attacks took place, the ongoing physical
10 and mental health impacts continue to deeply affect
11 tens of thousands of individuals across the country
12 who were in lower Manhattan and the surrounding
13 area following the attacks, as well as those from
14 around the country who participated in the rescue,
15 recovery, and relief efforts, due to their exposure to
16 the dust, smoke, and debris. Thousands of others
17 have died due to illnesses and injuries relating to the
18 attacks.

19 (9) The National September 11 Memorial and
20 Museum at the World Trade Center is continuously
21 dedicated to remembering, reflecting, and educating
22 for many generations to come so that the story of
23 September 11, 2001, is never forgotten.

24 (10) The National September 11 Memorial and
25 Museum at the World Trade Center is committed to

1 supporting family members, survivors, rescue and re-
2 covery workers, and military personnel who were af-
3 fected by the attacks by providing services, edu-
4 cation, and programming.
